

**FOR
THINKERS**

ONLY

You don't need to have a PhD before you can settle life's most important questions.

Like an ordinary jury member you can simply weigh the evidence and come up with a verdict. Consider then:

EVIDENCES THAT GOD EXISTS

- The evidence points to a creator. If every painting has a painter, and every building has a builder, who made the universe? Where did it all come from?
- The evidence points to a designer. Who designed the staggeringly intricate and complex universe in which we live, together with its laws and mechanisms?
- The evidence points to a source of objective moral values, which cannot exist without a God. Since evil is acknowledged to exist, objective moral values must also exist - but where did they come from?
- The evidence points to God revealing Himself in the miracle of the Bible (see next page) and in the life, death and resurrection of Jesus of Nazareth.
- You can personally experience God. This is not an argument; it is a claim that God exists and can be experienced by sincere seekers wholly apart from arguments.

EVIDENCES THAT THE BIBLE IS THE WORD OF GOD

- It is the world's best selling book. Over 8 billion copies in more than 2,000 languages
- It has survived centuries of ridicule, opposition and government bans
- It is united in its content despite being written by 40 different men over a period of 1,600 years
- It is 100% scientifically accurate, and is the only ancient book to state that the world is round and hangs on nothing (Isaiah 40v22, Job 26v7)
- It is 100% medically accurate and is the oldest book to advocate quarantine (Leviticus 13v45-46)
- It has more ancient manuscripts to authenticate it than any other 10 pieces of ancient literature combined
- Its historical record has never been contradicted by any archeological dig
- It has transformed millions of lives and altered the destiny of nations
- Hundreds of its prophecies and predictions have already come true with many more still to be fulfilled

EVIDENCE THAT JESUS IS THE SON OF GOD

He changed the course of history despite only living 33 years on earth, never receiving a formal education and living in poverty and obscurity for most of His life. He never wrote a book, yet His life has inspired more books than any other man. He never wrote a song, yet He has furnished the theme for more songs than all the songwriters combined. He never founded a college, but all the schools put together cannot boast of having as many students. He never marshalled an army or fought a war, yet no leader ever had more rebels surrender to Him without a shot fired. He never practised psychiatry, yet He has healed more broken hearts than all the doctors far and near, without ever charging a fee.

JESUS CHRIST CLAIMED TO BE THE SON OF GOD

This leaves us with a stark choice:

HE WAS LYING

HE WAS TELLING THE TRUTH

HE DIDN'T KNOW HE WAS LYING

HE KNEW HE WAS LYING

1. HE WAS A LUNATIC 2. HE WAS A LIAR 3. HE IS LORD

Do what a jury member does; make a decision! The Son of God has died to save you from your sins and has risen from the dead. It's time to stop using so called 'intellectual problems' as a smokescreen for your unbelief and unwillingness to repent, and turn to Christ as your Lord and Saviour without further delay. The Bible says: "*Believe on the Lord Jesus Christ and thou shalt be saved*" (BIBLE - Acts 16v31)
