## HAVE YOU EVER READ THE BIBLE ??

When a company produces an instrument or a machine, they issue a book, a manual that explains fully all about the product and how to operate for the very best result.

God made man. He created all people of every nation and He issued a book – a manual, the Bible, to clearly explain all things, such as:

- Where did people come from?
- What are people like?
- Where do people go after death?
- How to operate for best results. Matthew 6:33

There is an absolute guarantee in the promises God has given.

Do you know these unconditional promises of God?

If you read the BIBLE, you can know and then believe what God has promised.

The words that I speak unto you, they are spirit, and they are life. John 6:63

– IF YOU ARE INTERESTED –

We will supply you with a BIBLE or NEW TESTAMENT with BIBLE notes to read, and study, to help you examine the BIBLE for yourself.

As we choose our own personal behaviour, we also choose our own personal consequences.

The BIBLE will provide you with GOD'S word and His purpose, because it is His perfect manual, in order that you may best choose the ultimate in excellence for happiness and safety and thereby be delivered from all calamity and disaster.

You will then be able to know, and actually experience eternal security, and the purpose and pleasure that God has prepared for those who will trust Him.

Consider; perfect pleasures forever!
